

PIRATES COVE AND LIGHTHOUSE MARINA HAPPENINGS

February 2010

Monthly Fishing Report:

Grouper season is closed from February 1st through March 31st. Also, speckled trout is closed for the month of February as well. So be sure to keep this in mind. However, the Amberjack are still biting strong, look for the large structures or bridge spans. According to the local fishermen, the sheepshead are being caught in large numbers around the jetties. Be sure to use live shrimp and fiddler crabs. For a good fight, some say the Redfish are being caught in the Bays off of live shrimp. So with all of this in mind.....

Let's Go Fishing!!!
